Court Reporters, Litigation Support & Legal Media Services

Angie Portune, RPR, RMR

Angie Portune began her court reporting career in 1980 working in Columbus, Ohio for Daily & Associates. As a freelancer, she worked as an official reporter for many judges in county courthouses across central Ohio, as well as for many State governmental agencies. She moved to Cincinnati in 1983 and worked for Spangler Reporting, followed by Yenke Reporting, until 1986. Angie founded Merit Litigation Support Services in 1986 and was the sole owner until 2005. At that point in her career, Angie teamed up with Alicia Hardin of Ace Reporting to form Ace-Merit. As Vice President of their new company, Angie still enjoys her role as a court reporter, while helping guide the marketing, sales, and growth vision of the firm.

"After 27 years as a reporter, I still enjoy the variety that my work brings, plus the satisfaction of knowing I've assisted in an important way in someone's path through the legal system."
